

DISTRICT CONVENTION 2019

Welcomes

District Administrator's Message:

Welcome to the 65th annual California-Nevada-Hawaii District convention in Riverside!

The district board, club officers and members planted seeds at the beginning of the year. All throughout the year you watered, nurtured and responsibly maintained the growth of those seeds and now have farm fresh results! This weekend will reflect all the hard work you've put in!

I'd like to take this time to thank all the Kiwanis and faculty advisors for devoting their time all throughout the year! This includes attending meetings, giving advice and going to projects. Your presence alone gives the message that you care for our students. Your continuous support year after year helps preserve our history and continuity! Thank you once more for what you do!

This was my first year as your Administrator which means there was much learning to be had. I could not have gotten through my first year without the District Kiwanis committee to CKI. Many of these individuals have served on the committee for years (some even decades) and we're lucky to have such a supportive and knowledgeable committee. If you see any of these committee members throughout the convention please take the time to thank them! Their names and beautiful pictures can be found in this program!

I'd also like to thank our Kiwanis district and foundation for their continuous support to Circle K. This includes district officer training, attending district events, having a hard working staff (Especially Bruce Hennings!) and awarding scholarships to our CKI members. We're lucky to have such a caring Kiwanis district!

It's time to wake up! The roosters are calling and it's time to work hard this weekend for our clubs! Be sure to attend educational workshops and caucus sessions to elect a new district board! We'll definitely have some fun as well with some round-up activities! This includes the dance and fun general sessions!

Here's to a great weekend!
